Ballads & Soft Rock

Versie 2.2

Titel

Ballad

All of me
 Angels
 Angie
 Are you lonesome tonight
 Bridge over troubled water
 Bright eyes
 Comfortably numb
 Everybody hurts
 Fields of gold
 Gutenacht Freunde
 Heaven
 I can't help falling in love
 Imagine
 Into temptation
 I won't give up
 Just breathe
 Lady in red
 Let it be
 Love me tender
 Love of my life
 Message to my girl
 More than words
 My way
 Nights in white satin
 Nothing compares to you
 Stairway to heaven
 Streets of London
 Suzanne
 The queen and the soldier
 Through the barricades
 Vincent
 Wonderful tonight
 You'll never walk alone
 You've got a friend

Ballads & Soft Rock

Versie 2.2

Titel

Desperado
 Don't dream it's over
 Dust in the wind
 El condor pasa
 Exit music (for a film)
 The family tree
 Fire
 The fool on the hill
 Four seasons in one day
 Going to the sun
 Hallelujah
 Heart of gold
 Hey Jude
 Hey there Delilah
 Homeward bound
 Hotel California
 The house of the rising sun
 I don't wanna talk about it
 In the air tonight
 Is she really going out with him
 I still haven't found what I'm ...
 Karma police
 Kiss from a rose
 Knocking on heaven's door
 Let her go
 Love hurts
 Make you feel my love
 Me and Bobby Mc Gee
 One
 The one I love
 People are strange
 Perfect day
 Redemption song
 The river
 Shape of my heart
 Slip sliding away
 Song sung blue
 Sound of silence
 Sunrise
 Tears in heaven
 Under the bridge
 Weather with you
 While my guitar gently weeps
 Wind of change
 Wish you were here
 With or without you
 Wonderwall
 Yesterday
