

### **Titel**

#### **Ballad**

All of me  
 Angels  
 Angie  
 Are you lonesome tonight  
 Bridge over troubled water  
 Bright eyes  
 Comfortably numb  
 Everybody hurts  
 Fields of gold  
 Gutenacht Freunde  
 I'm on fire  
 I can't help falling in love  
 Imagine  
 I won't give up  
 Just breathe  
 Lady in red  
 Let it be  
 Love me tender  
 Love of my life  
 Michelle  
 My way  
 Nights in white satin  
 Nothing compares to you  
 Perfect  
 Sailing  
 Stairway to heaven  
 Streets of London  
 Suzanne  
 Through the barricades  
 Vincent  
 Wonderful tonight  
 You'll never walk alone  
 You've got a friend

### **Artiest**

## Ballads & Soft Rock

Versie 2.5

### Titel

#### Soft Rock (vervolg)

Dancing barefoot  
 Desperado  
 Don't dream it's over  
 Dust in the wind  
 El condor pasa  
 The family tree  
 Fire  
 Four seasons in one day  
 Hallelujah  
 Heart of gold  
 Hey Jude  
 Hey there Delilah  
 Homeward bound  
 Hotel California  
 The house of the rising sun  
 I don't wanna talk about it  
 In the air tonight  
 Is she really going out with him  
 I still haven't found what I'm ...  
 Karma police  
 Kiss from a rose  
 Knocking on heaven's door  
 Let her go  
 Love hurts  
 Make you feel my love  
 Me and Bobby Mc Gee  
 One  
 The one I love  
 People are strange  
 Perfect day  
 Redemption song  
 The river  
 Slip sliding away  
 Song sung blue  
 Sound of silence  
 Sunrise  
 Tears in heaven  
 Under the bridge  
 Weather with you  
 While my guitar gently weeps  
 Wind of change  
 Wish you were here  
 With or without you  
 Wonderwall  
 Yesterday
